How does PLC differ from other courses?

This Project Leadership course covers a wide spectrum of issues other than standard project management areas that must be addressed in order to obtain the desired business outcome.

Experienced Professionals of International repute will be speaking at this event. They will give meaningful insights on key areas of project management.

Tool showcase: This unique professional development opportunity offers a platform to meet and interact with experienced Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing world of Project Management.

What Our Past Certified Project Leaders Have To Say...

What you will go through in this 5-day course is a very enriching experience that will accompany you throughout your professional and personal life. All the best!

Salonee LALLAH, PLC Senior Manager

You'll find these five days a great mix of learning, sharing and rich human interactions which deeply change your outlook on Project Leadership & Management.

Mohd Fuad Muslim, PLC Senior Head, Project Management Department

I have found the course most beneficial, especially in enhancing my team's capability in Scope, Time and Risk Management. The icing on the cake is the practical orientation of this course.

Prakash KOWLESSUR, PLC Regular Director

When coming to this course, whether your aim is to be certified or not, be sure that whatever you'll take from it will be extremely useful in your day-to-day work as a professional

Jean Bruno Henriot, PLC Regular Junior Brewer

What Our Past Certified Project Leaders Have To Say...

After the first day, I was very overwhelmed to see the experience level of my team members and the load of work required of us to get certified. Now after 5 days, PLC has really helped me to assimilate everyone's knowledge and wisdom to self-actualize myself. What I liked the most in PLC is the Art of Networking, Art of War and the people management

section...

Waleed RAWAT
Corporate Executive

The PLC Leadership Course should be changed to 'SLC' meaning Sleepless Leadership Course. The first day I came to the Course, I said, "God I am in hell. Why I am here." The Course is an ocean of knowledge. The topics on honesty, trust, humility, loyalty & sincerity have been the best & they are the very essence of life. I will always cherish the moments I had in this course ...
