53rd PROJECT LEADERSHIP CERTIFICATION

International Recognition

Project Management Institute
Registered Education Provider

We are pleased to inform you that this course entitles you to

45 PDUs/45 Contact Hours

The University of Technology, Mauritius (UTM) in collaboration with Team SYNthesis is pleased to invite you to attend a high acclaimed course in leadership, the most important success differentiator in Programme/Project and Strategic Initiative Management. This course aims at empowering the Senior Management, Leaders and Managers and all those involved in strategic management with the skills needed to build high performance teams that can drive initiatives to successful

The PLC initiative, started in 2007, is a noble attempt to focus on TOP (**T**op **O**f **P**yramid) in terms of fulfilling a leadership Centre of Excellence (COE) in Mauritius & Africa. With a well-publicized leadership challenge and a strong desire to develop Human Capital Competence, the PLC programme is a Leadership & Management 101 commando training for the region's practitioners through its proven shock-and-awe 5-day intensive but highly rewarding programme.

"The PLC Programme focuses on life-long continual leadership best-practices acquisition with monthly Masterclass, quarterly PLC Talk & Annual Gathering"

"PMBOK, Leadership, I can say that this course is better than MBA..."

Osman Daud, Manager , AmBank

Fashioned as a top-notch certification course with worldwide recognition from leading certification bodies, PLC is a proven ROI-attested mind-stretching endeavor with more than 7,000 participants from over 70 countries. Most of these vision-centric organizations have embraced the Leadership Developer motto and make PLC a must-attend in-house programme.

PLC is conducted over 5 exciting days covering project leadership (PL) and management key areas, best practices, Case Studies, Course Work, computer-based interactive (CBT) sessions, Group Work and knowledge benchmarking. Leadership areas covered are Professionalism, Governance, Risk & Compliance (GRC), Making Things Happen through the Art of War, Time Management & People Management. Successful participants will be awarded a PROJECT LEADERSHIP CERTIFICATION, accredited by the UTM.

PLC Leadership 4.0 continuous **post-training** engagements via, including but not limited to, **360-degrees Feedback** for improvement, **Quarterly Talks** for knowledge updates, **Annual Gatherings** to network and exchange leadership views, **eLearning, PMIS 4.0** & PLC **Portal Access** & **Mobile Apps** for best practices sharing, make **PLC** the reference **leadership** training programme among leading Mauritian companies and the growing regional African and international organisations.

About the Course

The Project Leadership Certification course, the first of its kind in Mauritius and the African Region, is anchored by Mr. TAN Chee Peng, CEO of Business Technovise International (represented in Mauritius by Team SYNthesis Mauritius & Africa) Ltd), which has been reviewed and approved as a **Global REP** provider of project management training by the Project Management Institute (PMI). As such, we are pleased to inform you that attending PLC entitles you to 45 PDUs (Professional Development Units) and 45 Contact Hours.

About the Chief Instructor

Mr. Tan is the founder and CEO of Team SYNthesis and Business Technovise International (BTI), a strategic services firm specializing in Business / IT Strategy, Programme & Project Management (PPM) large systems and business process integration projects.

Prior to BTI, Mr. Tan was the managing partner, Andersen Worldwide managing the consulting practice in Mauritius, Madagascar, Kenya, Malawi, Tanzania and Uganda. Mr. Tan, an ASEAN scholar and a First Class Degree holder from Imperial College, UK, has more than 34 years of consulting experience in financial services industry, helping MNC clients in Business IT Strategy Formulation and Implementation, Business Process Reengineering, Programme and Change Management, Performance Management and, e-Commerce strategy and Implementation. He was previously the Vice President, Technology of Citibank N.A, Singapore.

Mr. Tan was conferred the (CITPM, Senior), the Singapore National IT Project Management Certification on 26 November 1998. Based on his professional work in Singapore, Mauritius and Africa, he was independently nominated and admitted to the International Who's Who of Professionals for 1999. Mr. Tan also sits on the Board of Assessor for the Singapore National IT Skills Certification Programme – IT Project Management since its inception.

He is also a Fellow Member of the Singapore Computer Society and has been listed on the "SCS Roll of honour" in recognition and appreciation of his valuable support and contribution to the Society. Mr. Tan has given Project/Programme Management Conferences, workshops and training sessions to more than 7,000 PMs world- wide and has successfully completed assignments in more than 68 countries. Mr. Tan is also a Mauritius SAPES recipient & invited member, Honorary 300 of the Singapore National Infocomm Registry for ICT Professionals 2011 -2013

How does PLC differ from other courses?

This Project Leadership course covers a wide spectrum of issues other than standard project management areas that must be addressed in order to obtain the desired business outcome.

Experienced Professionals of International repute will be speaking at this event. They will give meaningful insights on key areas of project management.

Tool showcase: This unique professional development opportunity offers a platform to meet and interact with experienced Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing world of Project Management.

PLC - The Uniquely Innovative Scope & Approach

What differentiates PLC from other PM Courses

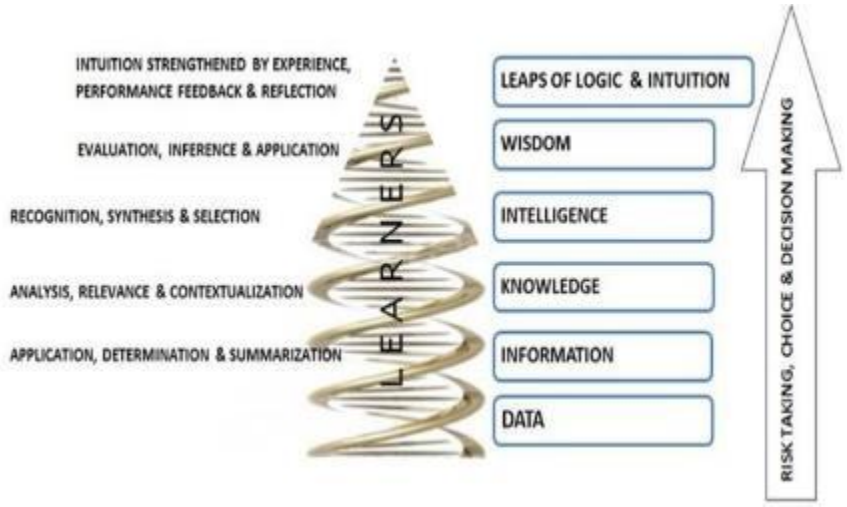
This Project Leadership course covers a wide spectrum of issues beyond the standard project management coverage.

Experienced Professionals of International repute will be speaking at this event. They will give meaningful insights on key areas of project management and leadership.

Tool showcase: This unique professional development opportunity offers a platform to meet and interact with experienced Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing world of Project Management.

Our Unique Offering

Standard PM Training Areas	Value Added Elements
Integration Management	Interpersonal Skills
Scope Management	Organisational Environment
Schedule Management	Client Environment
Cost Management	Complex Projects
Quality Management	Computer-based Assessment
Resource Management	1-to-1 Review & Coaching
Communications Management	Group Work
Risk Management	Case Study **
Procurement Management	Course Work
Stakeholder Management	Motivational/Reflection session



Notes to participants: Please bring along the chosen project details (scope, timeline, cost, deliverables, quality plans, risk mitigation plans, communication plans, HR plans, etc) of the project you intend to base your case study on.

Case Studies, Course Work & Reviews

During this 5-day intensive course, you will be provided with personalized assessment sessions with the Chief Instructor, who will review and guide you on your Case Study and Course Work.

Project Leadership Best Practices

You will also be exposed to the best practices from the lessonslearnt from past projects around the world by seasoned Practitioners from the PPM Industry.

Group Work

An interesting group work gives fellow participants a golden opportunity to interact and resolve project-oriented challenges as a team. This assignment does not contribute to the assessment.

Assessment Mode & Award

As part of the Certification Programme, the participants will be subject to continuous assessment and Computer-based training. Upon completion of the course, the participants will be awarded an Attendance Certificate during the course wrap-up session. Only successfully certified participants will be awarded PLC Certification, which will be sent directly to them by the UTM.

The course is MQA approved *and the award will be accredited by the University of Technology, Mauritius.

Personal Leadership

The Project Manager is the CEO of a project. Project Management is a people, people and people business. This intensive course will prepare you for the following:

- Understanding Professionalism: Management v/s Leadership
- Importance of Governance, Risk & Compliance (GRC) & Win-Win Relationship Management
- The Art of Leadership & Making Things Happen
- People Management: Turning Ripples into Tidal Waves
- Time Management: Doing More with Less.

Introduction to a PM/PMO Tool

Project Managers will be introduced to the Leading PMO Tools and will have an opportunity to have direct hands-on experience on a PMO Tool to automate, organize, schedule and provide control of the project management processes:

- Project Management Planning
- Scope / Deliverable Tracking
- Cost, Time & Resource Tracking
- Quality & RiskManagement
- Core Competency & Appraisal Tacking
- Communications and Progress & Earned Value Reporting.

*MQA refund only applies to participants working in Mauritius

What Our Past Certified Project Leaders Have To Say...

"PLC has greatly exceeded my expectations and has been, first and foremost, a journey of self-discovery and humility. The training's multi-faceted approach to leadership and unique blend of formal-social-experiential knowledge sharing make it a must for professionals irrespective of their industry! "

RajnishJHAMNA
Digital Transformation Executive

"The 5-day PLC is a very challenging and immensely enriching commando training. Its formal-social-experiential delivery approach has tested my limits and shown me that I could go beyond what I expected possible. I loved the practice -laden focus which forces us to think out of the box. High recommended for those who are outcome-based orientated!"

Tejeshree Devi RENGHA
Project Manager

"PLC is the single most intensive, awakening week of my life. The action packed bootcamp, comprehensively and expertly delivered through its formal-social-experiential approach, brings the best out its participants. A must-attend for those who dare to believe & succeed!"

Marie Caroline Emanuelle VICTOIRE
Group Communication Coordinator

"The 5-day PLC is a Wow bootcamp. Despite its toughness, powering through its well-structured formal-social-experiential is a hugely rewarding journey both personally and profession- ally. It has been a privilege to have attended the course. A must-attend for all!"

Veemul RAMDENEE
Chief Finance Officer

"The 5-day PLC is an unforgettable commando training which shapes the leaders of tomorrow. The intensive formal -social-experiential delivery forces a profound self-reflection to enrich my capabilities. Highly recommended for all !"

Nideshsing BHUNJUN
Procurement Lead

"PLC's unique shock-and-awe approach is an incredible limit-testing and boundary-pushing experience. A mind-opening knowledge roller-coaster, this commando training accelerates your readiness for individual and professional growth. You can only come out of it stronger than before. You just have to believe in yourself and grab the opportunity! A must-attend for all!"

Minouchka NIRSIMLOO
Strategic Planning Coordinator

"PLC is an enriching & self-discovering bootcamp. Boundaries are shattered through expertly delivered life-changing principles & phronesis. Self-discovery is what await leaders who decide to embark on the PLC journey. A must-attend for all - no hesitation - only participation is required to change both personal and professional life!"

Namrata BHUGOO
System Analyst

"The PLC Certification course was one of the toughest personal challenges I came across so far in my life, yet it will go down as an enriching week as it pushed me to go beyond the limits of my comfort zone. I will certainly recommend this commando course to my colleagues and fellow professionals. This PLC course isdeeply motivational and transformational!"

What Our Past Certified Project Leaders Have To Say...

PLC is an incredibly in-depth course. Its technical-leadership-strategic thinking orientation has definitely touched me deeply both personally and professionally. I will definitely cherish these life-defining moments. A must-attend for all!

Vijendra LEELADHUR
Project Manager

PLC is an intensive, transformational and life-changing course. Designed to make one experience the life of a smart working and successful leader, PLC compelled me to self-reflect and realize the value I can bring in my professional career and personal life. Extremely happy and satisfied, I have gained invaluable knowledge as well as invaluable advice on keeping the momentum. Highly recommended for all!

Hilma Panduleni KADHEPA
Manager

PLC is a marvelous life-changing & confidence-boosting course. After 5 days, I now understand what Theodore Roosevelt meant when he said "In any moment of decision, the best thing you can do is the right thing, the next best thing is the wrong thing, and the worst thing you can do is nothing". I now have the confidence that I can go anywhere and do anything! A wow experience, I would certainly recommend this 5-day commando course to anyone who wants to redefine their limits.

Vinick Murveen Chowrimootoo VEERAPEN
HR Lead

PLC is one of the BEST IMPACTFUL training I have ever attended. Fruitful to apply in both professional and personal life, its humility and value-centric approach addresses the elephant in the room. I will surely recommend my fellow colleagues to attend!

Jeetendra (Sanjay) TEELUCK
Talent Acquisition

The 5-day PLC is an awesome self awakening and limit-pushing commando training. It was time well-spent acquiring the practical wisdom and techniques applicable to daily life activities. PLC is truly PERSONAL LIFE COACHING. Highly recommended, I am making PLC a must-attend course for all the Talents in my group of companies!

Prabjot SINGH
Chief Finance Officer

The 5-day PLC is very challenging but also extremely enlightening. An incredibly engaging experience, you wish by the end of the course that you could continue a bit more on this journey of discovery. I have pushed myself so much over such a short period of time, that it is simply impossible to go back to my normal life at the same point I was. I have changed without doubt. Highly recommended for those who wish to change ...

Emmanuel DE ROSNAY
Business Development

The 5-day PLC is the best life-changing experience. Its formal-social-experiential delivery enables one to discover our inner selves and capabilities to re-focus the energy on our career and personal life. If you wish to discover new horizon and climb the next S-curve of excellence, this is the course to attend

Liza-Marie Laura CLAM-DO

What Our Past Certified Project Leaders Have To Say...

The 5-day PLC is an exciting challenge-laden, limit-stretching journey. Its unique formal-social-experiential course delivery results in in-depth self-discovery and incredible self-belief. Packed with a variety of delivery methods, its high intensity, generously laced with humor and real-life experience, rapidly established rapport and genuine making things happen mentality in the participants. Highly recommended wake-up call for all!

Syed Aufia YACOOB
Manager

The 5-day PLC is a unique life-changing experience. It has groomed us with the know-how and skills that make us venture and successfully deliver in any kind of business environment. The course has not only been enriching for my professional work but very value-adding to better prosper in my personal life. This impactful course exceeded my expectations as it is executed with unconditional passion and zeal. May God bless you all. You are doing a fantastic job. A must-attend for all!

Shanjit Singh SOOMAROOAH
Business Analyst

PLC has transformed me, by providing the missing links, into a better person professionally and personally. Although high energy-sapping, the real-life experience gained was thrilling. PLC is undoubtedly a course to remember. Certainly a must-attend for those seeking transformational change.

Arthur Carindal N'GUESSAN
Head of Member Services

PLC is an intense limit-pushing and potential-unlocking commando training. Its formal-social-experiential delivery approach is incredibly enriching and has strengthened my fighting spirit. Beneficial professionally and personally, this is definitely not a course for quitters!

Ourishka CHUCKOWREE
Head of Lease

The 5-day PLC has been a journey where I discovered myself and I now appreciate the great things life reveal to us. In one word, it was HEAVENLY. A must-attend!

Tushti BOOLUCK
Project Manager

The 5-day PLC course is a unique mind-stretching experience for those of you who want to be dragged out of your comfort zone to experience new dimensions. Initially engulfed with the roller-coaster type of fear, one reaps unimaginable highs in this thrilling leadership and self-discovery journey. Highly recommended!

Kensley Roy CHAN PAK CHOON
Team Leader

The 5-day PLC is a great course par excellence! The knowledge areas, techniques and best practices shared together with the people management aspects left indelible marks. Impactful from the start to the end, I have benefitted both professionally and personally. A must-attend!

Viksen PILLAY NARRAINEN
Deputy Manager IT

PLC is a make-things-happen, transformational commando training. Its technical, leadership & strategic aspects are immensely useful. The course has touched my heart and soul, making me realise how wrong and hard I was with myself. A self-discovery journey second to none, a must-attend for all!

What Our Past Certified Project Leaders Have To Say...

The 5-day PLC is a not only a career path-changing experience but also a life-changing one. Do not rely on the good words that people have on this course; you need to experience it yourself. PLC training, the best gift my company has given me, is like no other training in the world, as it is the only training that will help you improve on your weakest areas in the shortest time possible. Good luck to PLC, keep going, keep innovating and keep contributing in making a better world.

Dhanesh RAMBURN
Draw Manager

The 5 day PLC course is very intensive and comprehensive. It has been a great pleasure being part of this life changing experience. We can never predict the impact this training can have on us as persons and as team members. I learnt so many things but above all I learnt a new way of being at the very core of my being, and for that, many thanks. I will be delighted to see my colleagues go through this amazing learning experience with the same wow experience and will certainly recommend the PLC to everybody who is looking for a serious self-development opportunity.

Aumwatee SREEKEESSOON
Principal Youth Officer

The 5-day PLC is a truth-discovery terrific journey which has been life-changing for me. I can safely infer that it was the same for all the participants too. The fantastic course delivery exudes limitless unconditional love, full of prognosis and best practices. Now it is my turn to put into practice and pay it forward 4-in-1 to the best of my ability and capability. Definitely a worthy course to attend!

Mohammad Sheik Imshaad Ali RAMKOLEEA
ICT Officer

The 5-day PLC is a course I have been fighting to attend, and it is worth every second in gold. Its technical-leadership-strategic thinking learning leaves indelible marks on me as it was journey of unforgettable self-discovery. The commando training has made me stronger. Must-attend for all!

Obrian Didier Sebastien AH-TONG
IT coordinator

These 5 PLC days are life-transformational journey both at personal and professional levels. I really enjoyed the PLC commando training and would definitely recommend many more people to join in. The excellent course delivery showed us the real value of life. The course support team has also been instrumental and meaningfully made a difference.

Deepti BHASIN
HR Manager

The 5-day PLC is a very high-quality, life-enhancing course that shall definitely test your limits. The knowledge gained here, and the experiences shared are essential for the next steps to climb the S-curves of your career. The course is well supported, approved, researched and executed, resulting in impactful learning. This course will fire you up in terms great effort and mental fortitude, as it is a highly desirable endurance marathon. An achievement to be proud of, highly recommended for all!

Jan Vikram MOHITH
Student

PLC is an eventful journey guarantees to bring the utmost of meaning to all. Enjoy the course fully. No other courses will be so demanding, motivating and rewarding!

Trevor Patrick AH-KONG
Civil Engineer

PLC has been really a wonderful surprise, stressful but knowledge-laden and perspective-altering. I learnt of the course from a relative and decided to embark on this adventure with gusto. I have absolutely no regrets today, especially because I am grateful having got the opportunity to acquire invaluable life-changing practical knowledge. I encourage all those, who are still hesitating, to put aside any doubt and to join into join in!
