

INDUSTRY 5.0/SDG IMPLEMENTATION VIA HUMAN TECHNOLOGY

$$i50 = e^{(\text{Change}) (\text{Time})}$$

Mehul BHATT currently heads strategy, sustainability, and international growth for Rogers Group.

Born in June 1980, Mehul started his studies and career in Merchant Marine at 18 with Chevron, an oil major based out of San Ramon, USA. Following six years of sailing and a Bachelor's Degree, he worked with international groups like A. P. Moller-Maersk in various strategy, finance, general management, performance management, operations and commercial roles.

Mehul worked across the US, Denmark, East Africa, the UK, and India before moving to Mauritius in 2019.

Mehul has a long history with the Rogers group since 2015 when he helped expand Velogic into East Africa, initially as the corporate development head and then as the Director of the acquired businesses.

Mehul holds a B.S. in Nautical Sciences from the Birla Institute of Technology and Science, Pilani, and an MBA from the London Business School.
