Cloud Specialist, Industry 5.0

Vishan ANSEEREEJANOO, with **First Class Honours** in BSc (Hons) **Computer Science** (Systems Engineering) from Middlesex University, joins **Accenture Cloud First** to deepen his practical expertise in **Industry 5.0 technologies**.

Vishan is a **Gen Z dynamic individual**, an outside the box thinker aspiring to become a professional and a Leader 5.0 in the tech industry. He is also a tech and car enthusiasts with a Can-Do Attitude, having the ability to critically think and implement ideas. He is also a passionate about new technologies (IOT, COBOTS, Blockchain, Cloud) and how they can revolutionize the world but also keeping in mind the 17 Sustainable Development Goals (SDGs).

Prior to joining Middlesex University as a student, he worked at Team SYNthesis (Mauritius & Africa) Ltd as an IT Training Coordinator for one year where he gained valuable experiences in eMarketing, IT System Support (eLearning, PMIS4.0), Communications 4.0 (Pro-active listening, Power writing). He just joined Accenture Cloud First as a trainee working on a Retail Project.

He also followed the course PLC 4.0 Leadership Certification in 2019 before becoming a panelist at the 50th UTM PLC Talk on Integration Management in 2020. Since then, he has been volunteering at the 4IR/i40 Leadership 4.0 Masterclass to keep up with different i40/i50/SDG Emerging Trends.

**5.0 Leadership**  
REIMAGINING & RETHINKING Innovative Sustainable Development
