

3-day **PLC** Masterclass Quality Management Project & Quality

12-14 April 2021, The African Leadership Centre, Mauritius

Team SYNthesis (Mauritius & Africa) Ltd is pleased to invite you to attend an intensive **Quality Management Masterclass** on **15-17 June 2020, Mauritius.**

What is Quality?

Quality management (QM) is an organization-wide approach to understanding precisely what customers need and consistently delivering accurate solutions within budget, on time and with full process compliance. QM will also ensure the effective design of processes that verify customer needs, plan product life cycle and design, produce and deliver the product or service.

Using a **project-based** approach, the QM Masterclass analyzes and applies quality management principles and identifies **critical success factors**. It discusses quality tools and techniques and deliberates on the best approaches for organizations to attain a **quality culture**. It focuses on project-based systematic quality approaches to lower the post commissioning cost with the support of **change leadership-enabled** techniques. It also examines how the **Cost of Quality** strategies can assist in meeting business objectives of reducing risks and lowering costs, hence achieving high business profits.

Benefits of Quality Management

The Masterclass also examines the most useful and practical techniques in realizing an effective quality practices where all project activities are integrated and aligned towards the achievement of quality deliverables, commencing from needs identification and expectations management, and culminating in **benefits realization**.

Finally, the Masterclass also gives an appreciation for the evolution of quality and hence the **evolution of the role of the quality managers and practitioners** in value-adding to the strategic growth of their organizations.

Target Audience:

This course aims at empowering the Program managers, Project managers, Operations managers, Senior Engineers, Team Leaders, managers and others who want to apply best practices for **Quality Management**. This is the **fifth** of 10-part knowledge areas to develop high performance teams that can drive initiatives to successful completion and obtain the desired organization outcome. **Certified PMs will find the missing links in their PPM practices and relish its inherent challenges.**

The course is very demanding, inevitably it will force the participants out of their comfort zone in order to climb the next S-curve. All participants **should have** a laptop (with **WIFI Con-nections**) in order to take part in the exercises and read the course notes provided in PDF format.

Mr. Tan Chee Peng is the founder and CEO of **Team SYNthesis (TS)** and **Business Technovise International (BTI)**, a strategic services firm specializing in Business / IT Strategy, **Programme & Project Management (PPM, PMO & IQA Advisory)** of large implementations and business process integration projects.

Quality Management – The Masterclass Approach

Certificate of Attendance Presentation & Closing

Project & Quality

The 3-day PLC Masterclass has helped me to critically assess my roles in my organization. Being very focused, I had always thought that I was doing my job with the best approach. But, after the PLC Masterclass, I am equipped with new practical techniques which would enable me to do my job even better, for my benefit, my staff and my company. As a leader, over and above skill and competence, humility is very important to make the difference, have the winning edge and makes it happen...

Francois CHONG TSANG FEE AH QUNE, Manager Maintenance Planning, Air Mauritius Ltd

Being at the level of management, all the scopes are of great interest to me. On a personal point of view I also find that all the scopes are important for any deliverables in any field of activity. Overall, I am satisfied with this 3-day PLC Masterclass Workshop. The class was really interesting and all the modules are directly applicable to the different functions for the deliverables in our company. On the whole, I must say that the approach with all the details were very good for the understanding of the course...

Ludy RAMALINGUM, Managing Director, DCL

The PLC Masterclass has driven me back into the inspired mood of the 5-day PLC. This Masterclass, however, is more in-depth and covers each knowledge area comprehensively. The Masterclass has given me more useful tools which I can, not only use in my work, but also in my day-to-day life. Overall, I am very satisfied and will certainly encourage my colleagues & friends to attend the future Masterclass series...

Beenou MUNGRA-RAMPARGASS, Human Resource Manager Livestock Feed Ltd

The PLC Masterclass has completely taken me out of my comfort zone. Now that I have acquired a lot of practical techniques, I will certainly put them into practice as from tomorrow. The Masterclass made me realize that I have not reached the summit yet. I will definitely set another dream for my students tomorrow. The Masterclass journey has come to a quick end but created 2 major changes in me (both personal & professional). I would also testify that the Masterclass is tougher than my PhD ...

Mahend GUNGAPERSAD, Rector, Rabindranath Tagore Secondary School

I have recently been posted in the Quality Department in my company. I was unaware of the terms used. Now after the Masterclass, I am well equipped to do the Quality Assurance & I am well versed with the 'Quality terms'. The concepts/ideas presented will be very helpful to me to apply in my new job. Overall, I am satisfied with this 3-day PLC Masterclass Workshop...

Mirella MALHERBE, Assistant Administrative Officer, Financial Services Commission

The 3-day PLC Masterclass was very insightful. I have learnt many techniques & terminologies which will allow me to compartmentalize the steps and activities in my project procurement plan. What I acquired in the Masterclass will be very useful in building up my knowledge and helping me in putting theory into practice. Besides, it is always a pleasure to attend the PLC Masterclasses...

Eric Taily, Project and Engineering Manager DRBC Milling Co Ltd, Alteo Group

Very good knowledge was imparted to us, with more details, techniques & templates to enable one to perform better in his daily work. I will certainly use these techniques to achieve better targets for my company. Overall, I am satisfied with this 3-day PLC Masterclass Workshop...

Yasdeo RAWOTEEA, Head of HR Management, Cum Head of Electronic Banking, MPCB

After the 5-day PLC course, I thought I had gone through everything. But, life is a learning process. The 3-day PLC Masterclass was a good refresher course on each knowledge area topped up with real-life experience. I acquired new skills which I will put into practice as from tomorrow ...

Ken Arian, Manager Business Projects Harel Mallac Technologies Ltd

The 3-day PLC Masterclass was very interesting and I learnt new techniques which will help in practice. Communication plays a vital role in my job & it is good to know how to handle it. In the PLC Masterclass, I learnt how to conduct presentations the right way. It will certainly be very helpful for me...

Amit JUGGURNATH, IT Manager Central Water Authority

I have learnt a lot in this Masterclass. I will have to apply everything that I have learnt in my day-to-day work & make things better. I will certainly recommend my colleagues/friends to attend the Masterclass in the future...

Hassen Emrith, Head of Operation, Vector International Ltd

Apart from being an invaluable knowledge enriching experience, the Masterclass on Risk Management has broadened my views and has enhanced my way of doing things. Managing risk is a daily activity for all of us. In general, we all have a general idea of risk management and mitigation but this 3-day Masterclass brings out this practical and real aspects, especially in the context of running a business. Investors are always worried about multiplying their wealth, directors about their paychecks, creditors about payment on time and so many constraints exist in real life. However, this Masterclass shows us how to identify, address and mitigate risks such that no issue is left unresolved thereby, satisfying all stakeholders. Masterclass is definitely the enlightenment! **Ashwini Salabee**

The 3-day PLC Masterclass has exceeded my expectations, not only professionally but also personally. I regret it's already over. What I learnt will complement my professional life with the additional knowledge of tools, techniques and technical terminologies. The Masterclass certainly value-add in terms of planning for my future professional career ...

Jeannique Marie Noelle Ithier, Procurement Manager Livestock Feed Ltd

I would like to say that the 5-day PLC has brought many success in my department. This 3-day PLC Masterclass is more detailed. I learnt many things which I will certainly put into practice...

Ronny PAZOT
Infrastructure & Production Manager
MCB LTD

Attending the 3-day PLC Masterclass was a significant achievement for me, especially in learning the different aspects of Integration management. The Masterclass also taught me how to stay focus in what we do and that there is no barriers to success if you have a vision and the right plan and approach to achieve it ...

Mantasha RAMPARSAD
Client Service Manager
Deutsche Bank Mauritius Ltd

The 3-day PLC Masterclass has certainly morphed me into a butterfly. I can now relate to the key aspects of stakeholder engagement and using the various techniques to drive an initiative to a successful outcome. I am now more focused ready to fly...

Damini RAJIAH
Analyst Programmer
Mauritius Telecom

Before attending the 3-day PLC Masterclass, planning was the main thing for me to start a project. But now, it is not only about planning, but also applying the 10 Knowledge areas. With a very complete & comprehensive view of Project Management, the knowledge I gained in the Masterclass will certainly help me to drive my projects successfully in the future. The 3-day PLC Masterclass is worth more than the 2- year Masters in Project Management that I did ...

Jean Eddy ARISTIDE
Assistant Maintenance Manager
ALTEO Refinery Ltd

The 3-Day PLC Masterclass is where I have practiced and mastered the hands on experience and apply the best methodologies in the field of Project Management. The learnership is beyond the boundaries of the traditional lecture class but rather of a Masterclass Project Management Office where attendees use a PMIS, diagnose a real Project Management Plan, use real project documents and apply best methodologies in live-

mode project management. The Intermediate PPM Workshop is an ideal platform where Project Managers are inspired and propelled to showcase with confidence their project performance, progress and success to any Steering Committee. PLC Masterclass where the Project Management savvy meets the Master of Project Management Practitioner to strengthen his/her foundation and eventually grow in heights...

Arvind MUNGROO
Project Manager

It was a very tough balancing act of ongoing work pressure and the 3-day PLC Masterclass intensity. Nevertheless, I can say with certainty that I have no regrets staying the course & completing the Masterclass. I am very happy to learn of challenges that lie within and beyond a project. I am now much more prepared for these challenges & the next steps. What I liked the most in the Masterclass is the

practical sessions and their interactions. It gave us an opportunity to think deeper and broader. The 3-day PLC Masterclass is, without any doubt, very interesting and fulfilling ...

Nadine LUCHMUN
QA Manager
Chesteroc Ltd

The 3-day PLC Masterclass has very much exceeded my expectations. I have been able to grasp many techniques on how to engage stakeholders. The Masterclass is indeed a very intense experience with in-depth focus on a specific knowledge area and solutions towards handling difficult situations ...

Purusham RAMIAH
Software Engineer
Mauritius Telecom

The 3-day PLC Masterclass has exceeded my expectations. I will certainly recommend to my Management to send our senior staff to attend this Masterclass which will generate win-win outcome for the Company. I am taking away with me a pool of knowledge that will put me in a good stead for the challenges ahead ...
