

# 5.0 Leadership

*Thriving Resilience, Sustaining Growth in i50-SDG Era*

**INDUSTRY 5.0/SDG IMPLEMENTATION VIA HUMAN TECHNOLOGY**

$$i50 = e^{(\text{Change}) (\text{Time})}$$

Quentin THOREL

Group Head of Sustainability  
CIEL Textile

Strategy | Sustainability | Fashion  
Industry | Sustainable Fashion |  
Textile Circularity 5.0

Mr Quentin THOREL is the Group Head of Sustainability of CIEL Textile since August 2021. He has been working in the textile industry for the past 7 years. With a proven track record in project management and effective team leadership, Quentin has been key to the development and implementation of the group's sustainability strategy and several sustainable initiatives across the organisation.

With the aim of embedding sustainability in all business processes at CIELTextile, Quentin is leading the Sustainability teams of the 19 business units of CIEL Textile, with a focus on business model transformation, driven by positive impact. Quentin holds a Master's degree in Engineering, with a specialisation in Energy, Environment and Sustainability (Angers, France), and an MBA in International Business Management (Paris, France).

About CIEL Textile:

CIEL Textile has a strategic geographical positioning and employs more than 23,000 talents in Mauritius, Madagascar, India, and Bangladesh. With a strong foundation based on three pillars – talents, sustainable development and digitalisation, the Group has, since the past 50 years, provided transformational solutions to its customers, contributing to their success in the fashion game.
