The National ICT Association of Malaysia (PIKOM) in collaboration with Business Technovise International (BTI) is pleased to invite you to attend the 21st PIKOM PowerPM Leadership Course (PLC), a high calibre course in leadership, the most important success differentiator in Programme / Project Management. This course aims at empowering the Project Leaders, Portfolio / Programme /Project Managers and all those involved in project management with the skills needed to build high performance teams that can drive projects to successful completion and obtain the desired outcome.

It will cover project leadership (PL) and management key areas, best practices, case studies, coursework, computer-based interactive sessions, group work and knowledge benchmarking. More importantly, the key aspects of PMBOK including the 10 PM areas and key leadership sessions will be extensively covered.

This course is a Management & Leadership commando training meant for certified senior managers as well as aspiring project leaders/managers who want to learn the right way of making things happen.

Project Leadership Certification (PLC) combines both foundation understanding and experience demonstrated in portfolio, programme and project management. PLC benefits both employers and employees in a win-win and win manner.

Initiated by PCC: PIKOM CIO Chapter (PCC) is a chapter of PIKOM comprising the Chief Information Officers of major corporations in Malaysia formed to extend the "Voice of the ICT Industry" to the end-user community. The PCC has identified the development of ICT professionals in Malaysia among the many initiatives it will champion.
