# Meet the Masterclass Facilitators

**Chee-Peng TAN** *CITPM Senior, SCS Fellow, F.MIoD*

A more than 40-year practitioner and a thought leader in A.Innovation 6.0, Chee Peng has contributed to upskilling more than 10,000 leaders in Execution Leadership 6.0 in more than 100 countries over 6 continents. With the exponential changes brought about in exponential times by the emerging 6<sup>th</sup> Industrial Revolution in the midst of a global pandemic, he believes it is really going to be survival for the FASTEST among the fittest - those who not only have a plan/blueprint but already strategically disintermediating and delivering SUSTAINABLE TOTAL EXPERIENCE business values in the Industry 6.0 era with Human Technologies. Leaders 6.0 must be the LIGHT and serve!

**Jean-Michel FELIX**, *Independent Non-Executive Director — Governance, Risk & Transformation*

A seasoned executive leader with over 30 years of experience across financial services, consulting, governance, risk and large-scale transformation. His career combines three complementary perspectives: employee, intrapreneur and entrepreneur — giving him the ability to connect the multiple pieces of the business puzzle: strategy, governance, risk, finance, technology, people, operations and execution. With a track record spanning 40+ countries across Africa, Europe, the Middle East and Asia, Jean-Michel brings particular strength in board-level oversight, transformation delivery, risk management and strategic implementation. He is a Fellow of the ACCA, Certified Internal Auditor (CIA) and CRISC-certified professional.

**Akshay GOPAL**

With more than 9 years of entrepreneurial experience, he is a consummate technologist who believes in— while business drives the technological needs— that technology could certainly simplify and streamline business processes and provide insightful knowledge in meeting changing customer expectations. Akshay is spearheading the NextGEN Accounting & Finance solutions for his large African clientele focusing on data analytics and business insights, value-adding in their transformation journeys. He is a whole-hearted collaborative leader with the motto if the wind doesn't serve, we should use the oar.

**Rayhan BEEBEEJAUN**

The CEO of Precision Labs based in United Kingdom. A full-stack web + mobile + web3 + AI/ML developer, fluent in TypeScript/JavaScript, Rust & Python. Rayhan has delivered keynote speeches around the world and lead numerous initiatives in the world of technology and AI. His mission is to drive innovation enabling individuals to engage more meaningfully with society, with one-another and with the experience of being human. He believes, "Innovation for the sake of innovation serves no meaningful purpose. Innovation for the empowerment of humanity is the ideal we must strive for. It is the ideal we must imbue in every technological implementation we embark upon. Together, we can contribute to the beneficial development of the human race and make the world a kinder and more efficient place.

**9<sup>th</sup> Innovation 5.0 Conference on NEXTGEN Sustainable Future - Thriving Resilience, Sustaining Growth in i50-SDG Era, 20 October 2023, Mauritius (GMT+4, Blended Online & On-Premises)**

Our utmost gratitude for the successful conclusion of the Conference to the OC Chairman **Chee-Peng TAN** and Session Chairmen **Dr Dinesh Kumar HURREERAM**, **Shashi PUDDOO**, **Professor Theeshan BAHORUN G.O.S.K** and **Shateaum SEWPAUL**.

LEADERS 5.0 encourage one's MIND and inspire one's SOUL to make GREAT things happen. OPEN-minded and guided by MORAL compass, we must DREAM and BELIEVE for LIFE ends when we stop dreaming, HOPE ends when we stop believing. As our ability to THINK is unlimited, likewise the things we can think into existence. Our VALUE is measured in the number of those who STAND WITH us not those who follow. Invariably, what we do in duty and in life weigh less heavily than what we WISH WE HAD DONE. Afterall, like the Lotus flower, where we REACH is important, not where we START.

Team SYNthesis (Mauritius & Africa) Ltd, in collaboration with Mauritius Research & Innovation Council (MRIC) and Harel Mallac Technologies (HMT), has successfully hosted, for the **8<sup>th</sup>** time, the blended International Industry 5.0/SDG Conference on Friday, 21<sup>st</sup> October **2022** at The Ravenala Attitude Hotel.
