4IR/i40 Innovative NEXT-NORMAL Digital Working Transformation

*Thriving in the Global Pandemic Era*

23 October 2020, Mauritius (Blended Virtual & On-premises Ravenala)

INDUSTRY 4.0  
Masterclass  
23 October 2020 , Mauritius

**Port Louis, 22 September 2020: Following the past successful Leadership 4.0 events since 2017, Team SYNthesis (Mauritius & Africa) - together with its distinguished Industry 4.0 thought leaders, partners and practitioners from Americas, Europe, Asia & Africa – is conducting its 6<sup>th</sup> edition on 23 October 2020. It is a unique Masterclass which is blended with worldwide virtual participants and on-premises participants at Ravenala Attitude Hotel, Mauritius.**

The **23 October 2020 Masterclass** – draws expertise and implementation insights from local and international speakers from 5 continents - is designed for senior management (C-level) **decision makers and strategists**, and is expected to draw public and private sectors' leaders from Africa/Mauritius, Asia, Europe & Canada.

The 2020 Masterclass specifically addresses **pandemic-related challenge-responses** through twelve (12) adroitly-chosen case studies covering four important focus areas, namely **Strategy 4.0, Process 4.0, Technology 4.0 and Human Capital 4.0** to be delivered by **thirteen (13) C-level international Speakers**. The pertinent **thought-provoking questions** that will be debated in the Masterclass are as follows:

The **expected key takeaways** are:

Previous editions have seen more than 200 delegates from Asia and Africa across the key industries of **FSI, Hospitality/Tourism, Agriculture-Sugar, Textile, ICT-BPO, Media, SME, Construction, Automotive, Professional Services, Education, Medical, Logistics & Transportation, Public Sector** and **Manufacturing**, this action-planning Masterclass will value-add in:

- a. **Pandemic-influenced Industry 4.0's** impacts to Businesses, Governments, Societies & Individuals in Mauritius/Africa & Worldwide
- b. **Leadership 4.0** – now more than ever - as the pre-requisite in **re-onboarding NEXT-NORMAL leaders** by upskilling them primarily with **Collective Future Leadership** to leverage on wellbeing and diversity to achieve **superior performance**.

The Organizing Chairman, **Chee-Peng TAN**, the Group CEO, Business Technovise International (BTI) & Team SYNthesis (TS) in response to media queries says, “The ongoing pandemic has showcased how the Digitalization **Ecosystem** & the **highly optimized Operational Excellence** have failed to deliver the human-centric **resilience**.”

“Do not **abdicate leadership** at this critical juncture by succumbing to the temptation of doing what feels good, convenient and easy,” he further added, “If the world is going to get better, it is going to be up to us to create the **butterfly effect** for an avalanche of **uplifting outcome**.” He postulated that putting **human in the middle of everything** will see the rise of **Industry 5.0** and **human thriving**.
