

INDUSTRY 5.0/SDG IMPLEMENTATION VIA HUMAN TECHNOLOGY

$$i50 = e^{(\text{Change}) (\text{Time})}$$

Yamal Matabudul is the founding Chief Executive Officer of Polytechnics Mauritius Ltd, a tertiary education institution that focuses on upper TVET and skills-based courses, under the aegis of the Ministry of Education, Tertiary Education, Science and Technology.

He cumulates more than 22 years of work experience in the education and training sector. He started his career as a lead facilitator for a tutoring company which he co-founded in Montreal. Since then, he has been part of senior management at various private educational institutions including Strategy and Training Manager at Business Mauritius (previously MEF), Managing Director at TetraNergy Mauritius (representative of the Conservatoire National des Arts et Métiers, l'Île Maurice), Executive Director of Business Operations at Oceana International Business School and more recently General Manager of Education at Medine Education Village. Yamal has also acted as Education lead for GroFin Africa – a private equity fund that invests in SMEs across Africa, Project Manager for the Government of Mauritius and Consultant for The World Bank, Save the Children and African Development Bank.

Yamal holds a Master's degree in Higher Education from the University of Oxford, on a Chevening Scholarship, where he completed a thesis titled "An education hub in development? The difficult journey of private higher education institutions in the education hub in Mauritius". He also completed a Master's in Public Policy and Management from the School of Oriental and African Studies, a Graduate Diploma in International Business (Summa Cum Laude) and a BSc in Physics and Finance from McGill University.
